

NCFE/CACHE Level 2 Certificate In Children & Young Peoples Mental Health

Mental Health problems affect around 1 in 10 children and young people. These issues include depression, anxiety and conduct disorder and can often be a direct response to occurrences in their lives.

Emotional wellbeing is just as important as a child's mental health; therefore it is important for those working with children and young people to have a good understanding of the concepts, risk factors and impact of mental health.
