# Certificate in Understanding Personal Care Needs

## Level 2 NCFE/CACHE

As we see an increasingly ageing population, the number of adults needing around-the-clock care is on the rise. As well as the need for medical care, there is also a need for high levels of personal care to allow those who need support to live as comfortably as possible. This qualification focuses on developing a person-centred approach to delivering high levels of personal care.

What you will learn:

- Understanding person-centred care
- Supporting personal hygiene
- Understanding foot care for individuals
- Understanding how to support individuals to maintain oral health
- Understanding pressure area care
- Understanding sepsis

The Benefits:

- Achieve a nationally recognised Level 2 qualification
- Further your personal and professional development
- Learn at a time that suits you without the need to attend college
- Improve quality of life for those who need care
