

# NCFE Level 2 Certificate In Creating A Business Startup

Over half a million businesses are started every year; however, 30% of these fail within the first two years. Having a better understanding of the initial processes and requirements of a business start-up can increase the chances of your business succeeding. If you're looking to start your own business, or already have a business but want to develop and progress your business plan, this qualification will support you with the skills and knowledge you need.

## Benefits:

- Achieve a nationally recognised Level 2 qualification
- Further your professional development
- Learn at a time that suits you, without the need to attend college

## What you will learn:

- Initial steps for a business start-up
- Marketing for a business start-up #
- Legal and financial considerations when starting a business
- How to develop a business plan
